

REMARKS

Claims 1-95 have been subjected to restriction requirement under 35 U.S.C. § 121.

Applicant elects, without traverse, to prosecute claims 1-56, 58-90, and 92-93 (Group I). Claims 57, 91, and 94-95 (Group II) are hereby cancelled without prejudice or disclaimer.

The Examiner states that the claims of Group I recite two patentably distinct species of the claimed invention. Applicant elects, without traverse, species (A), read on by claims 1-6, 8-50, 58-84, and 92-93. The Examiner and Applicant agree that claims 1-4 and 13-42 are generic. It is understood that if the Examiner allows one of the generic claims, the remaining species will then be considered by the Examiner for allowance.

Respectfully submitted,
PAWAN GOYAL
